**205.1000. Sections 205.1000 to 205.1015 shall be known and may be cited as the "Family and Community Trust Act".**

**205.1005. 1. There is hereby created the "Family and Community Trust". The trust shall be governed by a board which shall include the directors of the departments of corrections, elementary and secondary education, health, labor and industrial relations, economic development, mental health, public safety and social services. The board shall also include nine private sector members of various backgrounds reflective of the geographic and demographic diversity of the state, including persons with evaluation expertise and experience with business partnerships, with knowledge of community organization and support systems, and of the needs and circumstances of children and families. Members shall be residents of the state of Missouri. The private sector members shall be appointed by the governor, with the advice and consent of the senate, based on recommendations from private and public community-based organizations or individuals. Additional department directors may be appointed; however, an additional private sector member shall be appointed for each additional department director appointed. Private sector members shall serve staggered three-year terms and shall serve no more than two**

17       2. The board shall elect from among its membership cochairpersons, one each from

19 may receive reimbursement for their actual and necessary expenses incurred in the  
20 performance of their official duties as members of the board.

21       3. The purpose of the trust is to provide leadership through a public-private  
22 partnership, in collaboration with community agencies and organizations, to measurably  
23 improve the well-being of Missouri's families, children, individuals and communities, and  
24 encourage collaboration among public and private entities to build and strengthen  
25 comprehensive community-based support systems. The trust shall also coordinate its  
26 efforts with other statewide boards and commissions to advise the governor and legislature
